# About the Meeting

The

## **64<sup>th</sup> EAMTC (European Aviation Maintenance Training Committee) Meeting**

will be hosted by

### **FINMECCANICA Helicopter Division Training Academy in Vergiate (near Milan), Italy on 15-16 March 2016**

The EAMTC is a non-profit making foundation registered in The Netherlands. It is an independent industry body comprising training organisations and those in associated enterprises. Members include EASA Part 147 approved and other basic or aircraft type training organisations, EASA Part 145 approved organisations, OEM, MRO, training equipment and software providers and others related to the industry.

Being keenly aware of the unique role that training provides in ensuring and promoting safety, the EAMTC promotes safety through training via its meetings, interaction between members and its relationship with other industry bodies. Training best practice is promoted in the same manner and via guidelines and recommendations publications made available to members."
