

7th Aviation MRO Indonesia 2019
13th – 14th November, 2019
Grand Mercure Hotel Harmoni – Jakarta, Indonesia

- **Background of the Event**

The 7th Aviation MRO Indonesia (AMROI) 2019 event is the largest MRO summit for Indonesia and this is the 6th year we will be running the summit. It will be hosted by the Indonesia Aviation Maintenance Services Association (IAMSA), which has 33 MRO members and we usually have between 400-500 high level delegates attending. Our speakers will include the Minister of Industry, CEO of Garuda Indonesia, Presidents of Air France KLM, SR Technics and FL Technics and also the participation of Senior Engineers from more than 20 airlines in Indonesia.

- **Background of the Organizer**

Avcon Group is an Australian based company focused on creating high level international summits for any industry sector. We have more than 15 years of experience working in partnership with Government Ministries and non-profit associations in Asia to organize high level industry conferences. Our head office is located in Sydney and we have offices in Jakarta and Manila.

Avcon Group is the exclusive organizer not only for the events of the Indonesia Aviation Maintenance Services Association (IAMSA), but also for all the international airline events of the Indonesia National Air Carriers Association (INACA) in Indonesia. Our branded events include [Indonesia Business & Charter Aviation Summit \(IBCAS\)](#), [Indonesia Aviation Training & Education Conference \(IATEC\)](#) and [Aviation MRO Indonesia \(AMROI\)](#).
