**Subject: Support study for the evaluation of the European Union Aviation Safety Agency's (EASA) performance in relation to its objectives, mandate and tasks as set out in Regulation (EU) 2018/1139**

Dear Sir, / Dear Madam,

I hereby confirm that the consultancy firm “Ramboll Management Consulting A/S (Ramboll)” has been awarded a contract with the European Commission’s Directorate-General for Transport and Mobility (DG MOVE) to undertake **the Study supporting the evaluation of the European Union Aviation Safety Agency’s (EASA) performance in relation to its objectives, mandate and tasks as set out in Regulation (EU) 2018/1139**. The responsible interlocutor from Ramboll on this project is Ms Vanessa LUDDEN (VANL@ramboll.com).

A key element to ensuring the best possible result from this study is the inclusion of interested stakeholders' contributions and counsel. By way of this Letter of Introduction, I am extending an invitation for your valuable contribution to this study, which will form an important input to the European Commission’s evaluation of the performance of EASA and on the contribution of Regulation (EU) 2018/1139 to the level of aviation safety across EASA Member States.

The consultation work involves email contacts, telephone and face-to-face interviews, as well as online surveys. The consultants have committed to the fact that the information you provide them with will be treated in strict confidence and only used for this work, and that any presentation of results will be made at an aggregate level to ensure confidentiality.

Your assistance and contribution to this initiative is greatly appreciated.

If you require any further information, please contact the DG MOVE official responsible for this file, Mr Klaus Winkler (klaus.winkler@ec.europa.eu).

Yours faithfully,

Joachim LUECKING
